

Batteripakke ProCORE 18 V 12.0 Ah AS

ProCORE li-ion-batteri med Highpower-celler, ladetilstandsindikator og "Electronic Cell Protection" (ECP). ECP beskytter batteriet mod overbelastning, overophedning og dybdeafledning. COOLPACK 2.0-teknologien sørger for en 135 % længere batterilevetid sammenlignet med genopladelige batterier uden COOLPACK-teknologi og muliggør dermed længere driftstider. Kompatibel med alle batteridrevne 18 V-apparater med AMPShare eller Bosch Professional 18 V grænseflade for genopladeligt batteri.
