

Batteripakke GBA 18 V 5.0 Ah AS

Li-ion-batteri med ladetilstandsindikator og "Electronic Cell Protection" (ECP). ECP beskytter batteriet mod overbelastning, overophedning og dybdeafladning. COOLPACK 1.0-teknologien sørger for en længere batterilevetid sammenlignet med genopladelige batterier uden COOLPACK-teknologi og muliggør dermed længere driftstider. Kompatibel med alle batteridrevne 18 V-apparater med AMPShare eller Bosch Professional 18 V grænseflade for genopladeligt batteri.
