

Cordless MULTIMASTER AMM 700 1.7 Q AS

Cordless oscillating multi-tool

Our best oscillating cordless MultiMaster for the automotive sector.

Product number: 7 129 37 61 09 0

Details

- + Designed for removing windshields and working on car bodies.
- + Anti-vibration system: Permanently safe, pleasant working conditions with minimum vibrations and outstanding noise damping.
- + QuickIN: Tool change in under 3 seconds with a patented, tool-free, FEIN rapid-clamping system.
- + 12-sided mount for optimal torque transfer.
- + 18 V FEIN PowerDrive motor: Especially powerful, virtually wear-free brushless motor with high efficiency, extremely high load handling and long service life.
- + Tacho generator: Constant speeds, even under load, and infinitely variable electronic speed control.
- + Metal drive head: High load capacity and maximum service life, since all drive head parts are made of metal.
- + Electronic cell protection (ECP): ECP protects storage batteries against overloading, overheating and deep discharge.
- + COOLPACK technology ensures a longer storage battery service life, enabling longer operation times.
- + The battery capacity can be read directly on the battery.
- + Compatible with AMPShare/Bosch Professional 18 V batteries from 2008 on.
- + Perfectly equipped for any job with our L-BOXX system.

Price includes

- + 1 protective cover for accessory changes
- + 1 whetstone (63719010014)
- + 1 tool case (L-BOXX 136)

Technical data

TECHNICAL DATA

Battery voltage

18 V
