

GRIT GIR

Notch grinding unit

Radii-grinding module for precision fitting of pipes, profiles and flat materials in series application.

Product number: 9 90 01 007 00 1

Details

- For accurately grinding out radii (with a diameter of 20 to 193.7 mm) on pipes and profiles.
- + Contact rollers are optionally available in standard dimensions.
- + Integrated depth stop for the series application
- Combination possibility with belt grinder GI 150 (2H)
- + Angle setting, individually possible up to 90°.

Price includes

- + 1 contact roller Ø 42.4 mm
- + 1 dust container
