

AStxe 649-1

Hacksaws for pipes up to Ø 440 mm

Powerful hacksaw for pipes and profiled sections with continuously variable speed adjustment.

Product number: 7 234 23 00 23 0

Details

- + Ideally suited for trimming pipes and shaped section made of steel, cast-iron, autoclaved aerated concrete and plastics.
- + Clamp and feed device available for profiles and pipes from Ø 80 mm to Ø 400 mm.
- + Especially suitable for sandwich material and

layers of different materials.

- + Variable electronic speed control for optimum cutting speed.
- + Adjustable clamping devices permit mitre cuts up to 45° as well.
- + * With chain extension.

Price includes

- + 2 saw blades
- + 1 set of keys

+ 1 additional handle

Product feature

+ Electric drive

+ Adjustable stroke
