

GRIT GHBM

Module for mobile surface processing.

Module for mobile surface processing.

Product number: 9 90 01 012 01 0

Details

- + Minimal effort required when grinding long welded seams thanks to roller guide.
- + Convert to a different application in under 45 seconds.
- + Homogeneous surfaces in one work step.
- + Low-fatigue machining of large areas.

Technical data

TECHNICAL DATA

Dimensions LxWxH

430 x 252 x 166 mm

Belt size

50 x 1,000 mm

Weight

5 kg
