

## Tapper for through holes

Short version in accordance with DIN 352 / ISO 13.

Product number: 6 31 10 019 01 0

### Technical data

#### TECHNICAL DATA

Thread

M 6

L

56 mm

Ø

6 mm

Square

4.9 mm

### Suitable for the following tools

#### Compact

- |                                                                   |                                                                             |                                                            |
