

FEIN VersaMAG

Permanent magnet with a maximum holding force of up to 7800 N

The powerful permanent magnet is the foundation of the FEIN VersaMAG system. With an integrated mounting plate, the permanent magnet guarantees success in every application.

Product number: 3 21 72 050 02 0

Details

- + Mobile, flexible and swift use. Adapts to every workstation thanks to the compact design and extra-narrow permanent magnet.
- + Optimises every workstation: clean and reliable working with versatile application options.
- + Modular system: the unique modular system ensures a secure hold in a very wide range of work situations and the right accessories can be added at any time.
- + Up to 7800 N holding force for reliable clamping on all magnetic surfaces thanks to an innovative 2-rotor system – even when working with thin sheet metals (from a thickness of 4 mm).
- + Clamping in tight sports or on vertical levels? Not a problem with the compact design and extra-narrow permanent magnet.
- + 30% magnetic bias for precise alignment of the permanent magnet.

Price includes

- + 1 x permanent magnet
- + 1 x mounting plate
- + 1 lashing strap

Technical data

TECHNICAL DATA

Magnetic holding power

7,800 N

Magnetic foot dimensions

212 x 70 mm

Weight according to EPTA

3.75 kg

Application examples
