

Battery pack GBA 18 V 2.0 Ah AMPShare

Li-ion storage battery with charge indicator and electronic cell protection (ECP). ECP protects storage batteries against overloading, overheating and deep discharge. COOLPACK 1.0 technology ensures a longer storage battery service life in comparison to storage batteries without COOLPACK technology. It makes longer operation times possible. Compatible with all 18 V cordless devices with AMPShare or Bosch Professional 18 V storage battery interface.
