

## Sanding sheets

Aluminum oxide and full resin bond guarantee fast material removal, minimum glazing and long tool life. For universal use on almost all materials. Unperforated, H&L attachment.

Product number: 6 37 17 090 04 6

### Technical data

#### TECHNICAL DATA

Grit

240

Edge length

3-1/8 [80] in[mm]

Qty

5 pcs

### Suitable for the following tools

- |                                                                                                                                                                                                                  |                                                                                                                                                                                           |                                                                                                                                                                                                        |
