

## GXW

### Cooling lubricant module

Lubricating coolant module for professional wet grinding

Product number: 7 901 24 09 44 3

## Details

- + Perfect surface results due to effective lubricating coolant delivery
- + Reduces the workpiece temperature.
- + Fixation of the swarf
- + Closed loop
- + Optional combination with GX 75 (2H) and GI 75 (2H) and und GI 150 (2H) belt grinders
- + Grinding belt service life increase

## Price includes

- + 1 liter lubricating coolant (1:30)

## Technical data

### TECHNICAL DATA

Power consumption

0.12 kW

Current/Voltage

220/230 & 400/440 V

Weight

19 [8.6] lbs[kg]
