

MULTIMASTER MM 700 1.7 Q Basic

Oscillating MultiTools - MM 700

Top in its performance class, our MULTIMASTER 700 is ideal for tough automotive applications.

Product number: 7 229 69 63 09 0

Details

- Designed for removing windshields and working on car bodies.
- Anti-vibration system: Permanently safe, pleasant working conditions with minimum vibrations and outstanding noise damping.
- QuickIN: Tool change in under 3 seconds with a patented, tool-free, FEIN rapid-clamping system.
- Hexagonal accessory mount for optimal torque transfer.
- 450 W FEIN high-performance motor: Durable, overload-proof, high-performance motor with high proportion of copper for higher cutting speed and ultra-rapid work progress.

- Tacho generator: Constant speeds, even under load, and infinitely variable electronic speed control.
- Metal drive head: High load capacity and maximum service life, since all drive head parts are made of metal.
- Industrial cable: Large operating radius thanks to the 5 m, fine-stranded rubber-clad cable in industrial quality.
- Perfectly equipped for any job with our L-BOXX system.

Price includes

- + 1 protective cover for accessory changes
- + 1 tool case (L-BOXX 136)
