

AStxe 649-1

Hacksaw for pipes up to Ø 24 in

Powerful hacksaw for pipes and profiled sections with continuously variable stroke adjustment.

Product number: 7 234 23 09 36 0

Details

- + Ideally suited for cutting pipes and profiles made of steel, cast iron, autoclaved aerated concrete, and plastics.
- + Clamp and feed device available for profiles and pipes from Ø 3-1/8 in [80 mm] to Ø 24 in [400 mm].
- + Especially suitable for sandwich material and layers of different materials.
- + Electronic speed control for optimal cutting speed.
- + Adjustable clamping devices permit mitre cuts up to 45° as well.
- + * Chain extension available.

Price includes

- + 2 saw blades (type 063)
- + 1 wrench set
- + 1 additional handle

Product feature

- + Electric drive
- + Variable speed

Technical data

TECHNICAL DATA

Power consumption	750 W
Power output	480 W
Strokes	100 - 350 spm
Stroke of blade	2-1/4 [60] in[mm]
Pipes up to Ø	15-3/4 [400] * in[mm]

VIBRATION AND SOUND EMISSION VALUES

Sound pressure level LpA Measurement uncertainty of the measured value KpA	89 dB 3 dB
Sound power level LWA Measurement uncertainty of the measured value KWA	100 dB 3 dB
Peak sound value LpCpeak Measurement uncertainty of the	102 dB

Profiles up to W x H	11-1/2 [290] x 21-3/4 [550] in[mm]	measured value KpCpeak	3 dB
Cable with plug	8.2 [2.5] ft[m]	Vibration value 1 α_{hv} 3-way	7 m/s ²
Weight	14.11 [6.40] lbs[kg]	Measurement uncertainty of the measured value K α	1,5 m/s ²
Weight	14.11 lbs		

Application examples
