

PROTAGO EXCEPTIONALLY SAFE.

The new FEIN cordless angle grinder
with AMPShare battery technology

[FEIN.COM/EN_UK](https://www.fein.com/en_uk)

DID YOU KNOW THAT ...

27%

of all reportable accidents at work falling into the category of manually-operated power tools are caused by angle grinders.*

16%

of these accidents at work result in early retirement.*

86%

of accidents at work involving manually-operated power tools are triggered by a loss of control during the task in hand.*

*Statistics into accidents at work in 2020 by the DGUV (German Social Accident Insurance)

NO CABLES. NO COMPROMISES.

The new FEIN cordless angle grinder. A unique operating concept that almost fully eliminates the risks associated with improper operation.

ADDED VALUE FOR YOU

GUARANTEED PROTECTION AND SAFETY!

Ultimately, as the employer, you are responsible for the health and safety of your employees. Protect your employees from harm and potentially lifelong negative consequences.

MINIMISE RISK!

Depending on the severity of an accident at work, a company may face huge costs. Now you can finally get this incalculable risk under control.

REDUCE ADMINISTRATIVE WORK!

No accidents means: no administrative work, no disputes with employers' liability insurance associations and health insurance companies or lengthy legal battles.

IMPROVE PLANNING CERTAINTY!

Plan your projects with greater reliability. Downtime caused by accidents become a thing of the past. Qualified and available staff are a key factor in completing projects on time.

POWERFUL GRINDING TOOLS. **NO ROOM FOR COMPROMISE.**
