“FEIN TOP DEAL FOR CORDLESS TOOLS”

Organizer

These terms and conditions of participation regulate participation in the FEIN cordless tools promotion organized by FEIN Canadian Power Tool Co., 323 Traders Blvd. East, Mississauga, Ontario L4Z 2E5 (hereinafter referred to as the "Organizer") by participants. By participating in the promotion, participants accept these terms and conditions of participation.

Requirements for participation and procedure

Anyone aged 18 and over who is a resident in the Canada is entitled to participate. However, the following are not eligible to participate: Employees (and their family members) of the Organizer, companies associated with the Organizer and sales partners to the Organizer.

Participants who buy FEIN 18 V tools in the promotional period between 01.04.2020 and 31.08.2020 will receive one or more free products. After the promotional tool(s) have been purchased, the free product(s) must be requested by 15.10.2020.

The free product(s) can only be claimed once per promotional tool as part of this promotion. The data that you enter will be checked against our database. Repeat participation and other manipulative measures that violate these conditions of participation will lead to the immediate exclusion of the participant from this promotion.

Participants are required to submit the order form (filled out completely) as well as a copy of their sales invoice/receipt in order to claim the free product. This can be done by completing the form on the back of the cordless promotional flyer and submitting it directly to FEIN Canada via e-mail to topdeal@fein.ca or by fax to 905-890-1866, or online at www.fein.ca/topdeal (TOP DEAL cordless tools). We recommend checking your spam folder regularly. Participants must ensure that the proof of purchase submitted is of good and legible quality and clearly details the dealer information, customer information (if applicable), invoice number, date of purchase, serial number of the purchased promotional tool or tools as well as the complete and unambiguous product name of the purchased promotional tool(s). Order confirmations, delivery notes and receipts will not be accepted as proof of purchase. In addition, the proof of purchase must have been issued to the participant, not anyone else.

If the free product(s) have not been requested within the period for requesting free products or if documentation and information required for the request has not been submitted or has been submitted after the deadline, the free product(s) will not be shipped.

Verification

The Organizer reserves the right to run checks. Should it become apparent that a purchaser has not fulfilled the prerequisites for participation or has acted in an improper manner, the Organizer is entitled to refuse to ship free product(s) or to reclaim products that have already been shipped. The registered office of the Organizer is the exclusive place of jurisdiction for all disputes. For more details, please refer to our data protection declaration at www.fein.ca.

Processing

The Organizer checks whether the customer is entitled to the free product(s). Verification of the request is normally completed within 14 business days from receipt of the complete and on time submission of documents. If the verification check is successful, the products are shipped within 6 weeks after the request at the latest. The Organizer is entitled to contact the participant by e-mail or phone in relation to any queries regarding the processing of the promotion.

The claim for products is not transferable. Payment in cash and payment in kind is excluded. Entitlement to the free product(s) lapses if the promotional tool is permanently returned under the legal right to withdrawal or through the dealer as a gesture of goodwill. If a promotional tool that has already been registered for the promotion is returned within 6 months, the claim to free product(s) is voided. If the products have already been requested or claimed, the participant will be subsequently invoiced for the value of the free product(s) by the Organizer.
