

# FEIN

## Fraise HSS Dura 25 emmanchement QuickIN

Revêtement de surface TiN pour une durée de vie et un glissement supérieurs.

Dimensions métriques, profondeur de coupe 25mm.

**39.24 CHF** incl. TVA et TAR

Référence: 6 31 33 120 06 7

### Descriptif technique

#### CARACTÉRISTIQUES TECHNIQUES

Profondeur de coupe

25 mm

Ø perçage

12 mm

### Compatible avec

Universelle

- |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                    |
