

# Set of accessories for renovating windows

Order number:: 3 52 22 952 23 0

15-part set of accessories for the most common jobs encountered when repairing and renovating wooden windows. Can be used universally for grinding close the edge in corners and edges without kick-back. Remove old brittle putty or glass retaining strips without the risk of breaking glass and for sawing old timber materials, including those with nails. Attractive savings over purchasing the items individually. With Starlock mounting, suitable for all popular oscillating multi-tools on the market. Also compatible with Bosch, Makita, Metabo, Ridgid, Skil and many more. Contents: 1 x triangular sanding pad (80 mm) with sanding sheets (3 each of grit 60, 80, 120, 180), 1 x HSS saw blade, segmented, 85 mm in diameter, 1 x E-Cut long-life saw blade, 35 mm in diameter.

Mount SL
