## Select

Cordless angle grinder, 115 mm in diameter

Order number:: 7 120 03 62 00 0

### FEIN SELECT<sup>+</sup>

Dust-resistant and powerful, compact cordless angle grinder with dead man's switch for effective cutting, grinding and deburring work in assembly jobs.

- Guarantees very long life with the next generation of brushless FEIN PowerDrive motors. Totally closed motor housing protects the motor from aggressive ceramic and mineral dusts.
- Ideal for every application. Optimum speeds, matched to a large number of abrasive materials and other materials using the infinitely variable, electronic speed preselection.
- Powerful. 30% more efficiency than comparable universal motors with a rated output of 1100 W.
- Maintenance-free motor with innovative cooling ribs for optimum heat dissipation, including monitoring of temperature.
- Maximum work progress with FEIN HighPower Li-ion batteries. Cells capable of high currents with continually high power output and 75% higher current rating than Li-ion batteries.
- Very smooth running and low-vibration working thanks to motor being decoupled from the housing and mounted separately and four additional vibration dampers.
- Extensive user protection features include soft start, restart protection, electronic overload protection and brake.
- Secure hold for all applications thanks to non-slip handle.
- Fatigue-free working thanks to narrow grip dimensions, compact design and a well-balanced low weight.
- Separate motor electronics with dust guard in handle area.
- Flexibility with the FEIN MultiVolt interface. Angle grinder can be operated with all FEIN Li-ion batteries (12 to 18 V).
- Safety hood, which can be adjusted without the use of tools, and quick-clamping nuts make for short setup times.
- Bright working area thanks to integrated LED light.
- Stackable tool case made from sturdy plastic and space for abrasive materials and accessories.
- \*\* Maximum performance with FEIN HighPower Li-ion battery

# CCG 18-115 BLPD Select

Cordless angle grinder, 115 mm in diameter

Order number:: 7 120 03 62 00 0

## Technical data

---

Battery voltage	18 V
Motor	brushless
Speed, no load	2 500 - 8 500 rpm
Grinding disc Ø	115 mm
Elast. Backing pad Ø	115 mm
Flange	M 14
Weight without battery	1,95 kg
Cordless	X

## Price includes:

---

1 wheel guard
1 Tool-free quick-clamping nut
1 anti-vibration handle
1 key
1 plastic carrying case
